Law Education Department.

Sir,

With reference to G.O.No.1860 Mis.Law Edn.dated 27-10-25 sanctioning the further retention of the manual training class in horticulture in the Government secondary training school, Mangalore and of the Instructor employed therein up to 31-2-27 I have the honour to state that the Principal, Government College, Mangalore, has reported to me that the incumbent of the post of horticulture Instructor who was doing good work resigned it as the pay of the post was very low and was not a living wage for him. He has further reported that in anticipation of sanction Mr. Karat a secondary grade assistant of the school who is well acquainted with the practical side of gardening and who has also undergone a special course of training in the

Agricultural college, Coimbatore, has been permitted to teach the subject to the students since 1st February 1926.

2. The Adviser to Government on Manual and Vocational training who was consulted reports that he inspected the class on 14-7-26, that the garden requires to be cleared of weeds and better laid out and the paths clearly defined, raised and edged with broken tiles. He adds at the same time that he does not believe in much theory in Manual training classes and that a gardener on Rs. 15/- per mensem may be employed and that the secondary grade assistant Mr.Karat may continue to be in charge of the special class and be given an allowance of Rs. 5/- per mensem for his additional duties in connection therewith.

3. I accordingly request that Government will be pleased to sanction the appointment of a full time gardener on Rs. 15/- per mensem and an allowance of Rs. 5/- per mensem to the Secondary grade teacher in question with effect from 1-2-26.

4. If the above proposals be approved the extra expenditure of Rs. 65/- required during the current year on account of the teacher's allowance can be met from the anticipated savings under "pay of establishment" voted permanent-Government Training school for masters in the current year's budget. As regards the gardener I may add that the necessary funds will be provided for by me on receipt of orders of Government sanctioning the post.

I have the honour to be,
Sir,
Your most obedient servant,
